

North Zone Bi-Weekly Trails Report

*This report provides information on trails that have been opened to date by Forest Service personnel, contractors, partners and/or volunteers. If a trail is not listed, then it has not been cleared this season and/or was not cleared last season. Visitors are welcome to travel on any trails on the National Forest, but need to be aware of the potential for downfall if the trail has not been cleared. Even though trails have been cleared once, there could be downfall from windstorms that have occurred since the trail was cleared. **Visitors are encouraged to contact local Ranger District offices for any current trail or area closures due to fire.**
